Module 5-6 Checkpoint Exams:

The screenshot shows the Cisco Academy interface for the exam CPE201A-CPE11S1-2526. On the left, the 'Course Outline' sidebar lists several modules with their completion percentages: Module 5: Networking Concepts (60%), Module 6: Applied Networking (20%), Checkpoint Exam Modules 5-6 (100%), Checkpoint Exam (100 Pts), Module 7: Laptops and Other Mobile Devices (35%), Module 8: Printers (44%), and Checkpoint Exam Modules 7-8. The main area displays the 'Checkpoint Exam' results with a large green gauge showing a score of 90%. The text below the gauge states: 'You have scored 90%. Congratulations, you have passed the exam.' There is a 'Reset' button and a 'Review Assessment' link. The top navigation bar includes icons for a checklist, a book, a bar chart, a megaphone, and a close button.
